

ORDINANCE NO. 82-11

AN ORDINANCE ESTABLISHING THE WATER RATES AND OTHER WATER SYSTEM RELATED FEES FOR THE CITY OF WENDOVER, UTAH.

WHEREFORE, the City Council of the City of Wendover, State of Utah, has deemed it necessary and proper in order to promote the health, safety and welfare of the citizens of the City of Wendover to establish certain rates and fees to be charged for the use and enjoyment of the local water system.

WHEREFORE, all previous water rates and fees heretofore in effect are revoked as of the 1st day of September, 1982.

WHEREFORE, the following rates and fees are deemed established as of the 1st day of September, 1982:

1) All water connections within the City limits of the City of Wendover shall have an approved water meter.

2) Every building, dwelling unit, or multiple dwelling unit shall be serviced by at least one (1) water service line. A water service line shall connect the building, dwelling unit, or multiple dwelling unit with the main trunk water service line for the purpose of transporting water from the trunk line onto the individual's property.

Each and every building, dwelling unit or multiple dwelling unit shall have a water service line connected directly into the main trunk water service line. It is permissible to manifold several lines into the said building, dwelling unit or multiple dwelling unit from a single water service line, so long as each of these manifold lines are metered.

It is not permissible to connect two (2) water service lines together to serve more than one (1) building, dwelling unit or multiple dwelling unit.

3) The following minimum fees will be charged each month per water meter:

3/4 inch line	\$15.00 up to 7,500 gallons
1 inch line	\$30.00 up to 15,000 gallons
2 inch line	\$120.00 up to 60,000 gallons
4 inch line	\$480.00 up to 240,000 gallons
6 inch line	\$1,086.00 up to 543,000 gallons

Any person using any water in excess of the minimum allowed each month, as set forth above, shall pay for the said excess water at the rate of Two Dollars (\$2.00) per one thousand (1,000) gallons.

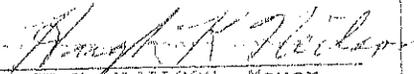

4) The following water connection fees shall be charged for each and every water connection made after the 1st day of September, 1982:

3/4 inch water line	\$800.00
1 inch water line	\$1,600.00
2 inch water line	\$6,400.00
4 inch water line	\$25,600.00
6 inch water line	\$57,600.00

5) Each and every water connection existing prior to the 1st day of September, 1982 shall be entitled to a new water meter supplied by the City of Wendover, without cost.

This Ordinance shall become effective on the 1st day of September, 1982, after it has been posted in three (3) public places with the City of Wendover, State of Utah.

Dated this 3rd day of August, 1982.
