

ORDINANCE NO. 84-1

An Ordinance setting forth the justifications authorizing the Termination of Water Service of the persons or businesses who connect into the Wendover City Water System.

WHEREFORE, the Wendover City Council has deemed it reasonable and prudent, and in the best interest of the citizens of the City of Wendover, to set forth the premises which justify city officials terminating water service to persons or businesses who are connected into the Wendover City Water System.

THEREFORE, be it ordained that all persons or businesses shall pay their individual water bill on or before the (15th) of each month.

THEREFORE, be it ordained that should any person or business not pay their water bill within three (3) days of the 15th of each month, the appropriate city official, in his or her discretion, shall issue written notice to the water user that the water service will be terminated if the bill is not paid in full within the next seventy-two (72) hours.

THAT this ordinance shall take effect immediately upon signing and having been posted in three (3) public places within the City of Wendover.
